Product description

- The sensitive proportional control (driving, lifting and lowering) makes the work for the operator as pleasant and efficient as possible
- The efficient electro-direct drive ensures even during long work efforts sufficient power reserves
- As standard with a generous 0,9 m platform extension and foldable rails for a variety of applications
- Compact dimensions, 90° steering and a low own weight despite 14 m working height are the ideal premises for works in buildings and industrial facilities with limited space
